## Oscar Bears Day Care - Key worker policy

### Introduction

At Oscar Bears Day Care we promote the importance of a key worker system in order for a child to form attachments whilst in our care and feel safe and secure. The key worker system also helps maintain strong relationships between parents/carers and nursery.

### Implementation

At your first settle session at Oscar Bears you will be allocated a key worker for your child.

Key workers will usually be your first point of contact when sharing information about your child.

Key workers are responsible for your Childs communication diary and learning journals.

Key workers will not be in sole charge of your child throughout the day, children are encouraged to build bonds with all staff members.
